WHERE'S THE BEEF?

RESTAURANTS ALL OVER THE COUNTRY ARE SERVING UP TASTY WRECKING BALLS.

1 **A16** **SAN FRANCISCO, CA**

This restaurant's Meatball Mondays feature orbs made from beef and pork trimmings, plus buttery prosciutto.

2 **COPPA** **BOSTON, MA**

Chef Ken Oringer's "meatballs al forno" are topped with a layer of lardo—that's straight-up pork fat to you.

3 **RDG + BAR ANNIE** **HOUSTON, TX**

Lobster meatballs with remoulade sauce (a savory mayo-mustard combo) are fancy enough to feed to your lady.

4 **CITY GROCERY** **OXFORD, MI**

Extra hungry? Swallow an entrée portion of wild boar meatballs for \$30.

5 **PROOF ON MAIN** **LOUISVILLE, KY**

Bison and beef join forces in bison pas-trami sliders served with smoked aioli.

6 **FRASCA FOOD AND WINE** **BOULDER, CO**

Diners often call ahead to confirm that Frasca's famous stew of roasted veal and lamb meatballs will be on the menu.

7 **DOMINICK'S** **LOS ANGELES, CA**

This former Rat Pack hangout serves a combo pork-beef-mushroom ball. Feeling fishy? Try the tuna ball instead.
